St-Adolphe d'Howard le 19 juillet 2008

Dear Fellow Members of APEL St-Joseph,

On June 28nd APEL lac St-Joseph participated in "Rendez-vous de St-Adolphe d'Howard", a day where the public was invited to present briefs to the Mayor and Council on the theme of sustainable development and the environment. Attached is a traduction of the press release which was issued following the presentation.

For those who are required to have their septic tanks emptied in 2008, do not forget to register with Sani-Laurentide and take advantage of the discount offered to APEL members. There are 2 dates available for our members: Aug 2nd or Sept 13th.

APEL will be posting three new signs around lake St-Joseph to sensitize users to the steps to take to protect the lake.

Finally, the first water test of lake St-Joseph for 2008 has been completed and the results will be sent to members towards the end of July.

I wish you a good summer.

Serge Roberge
Président
APEL du lac St-Joseph
